

HENRY
L. BIRD 

THE GARDEN

Christopher Abbruzzi

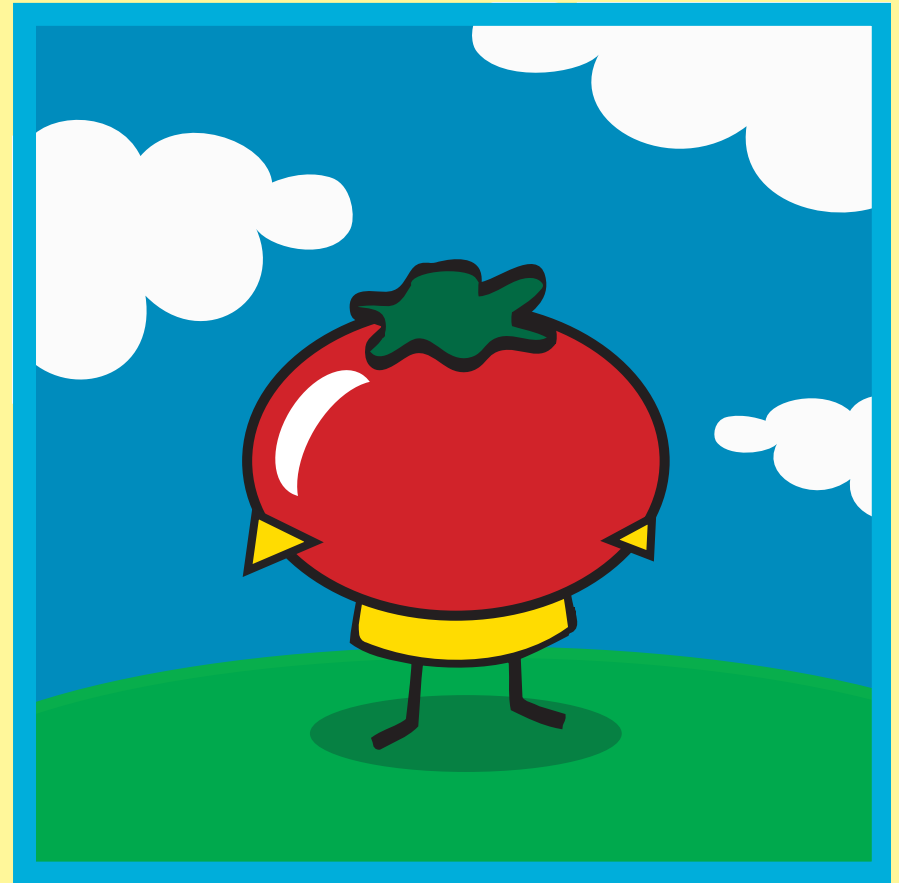

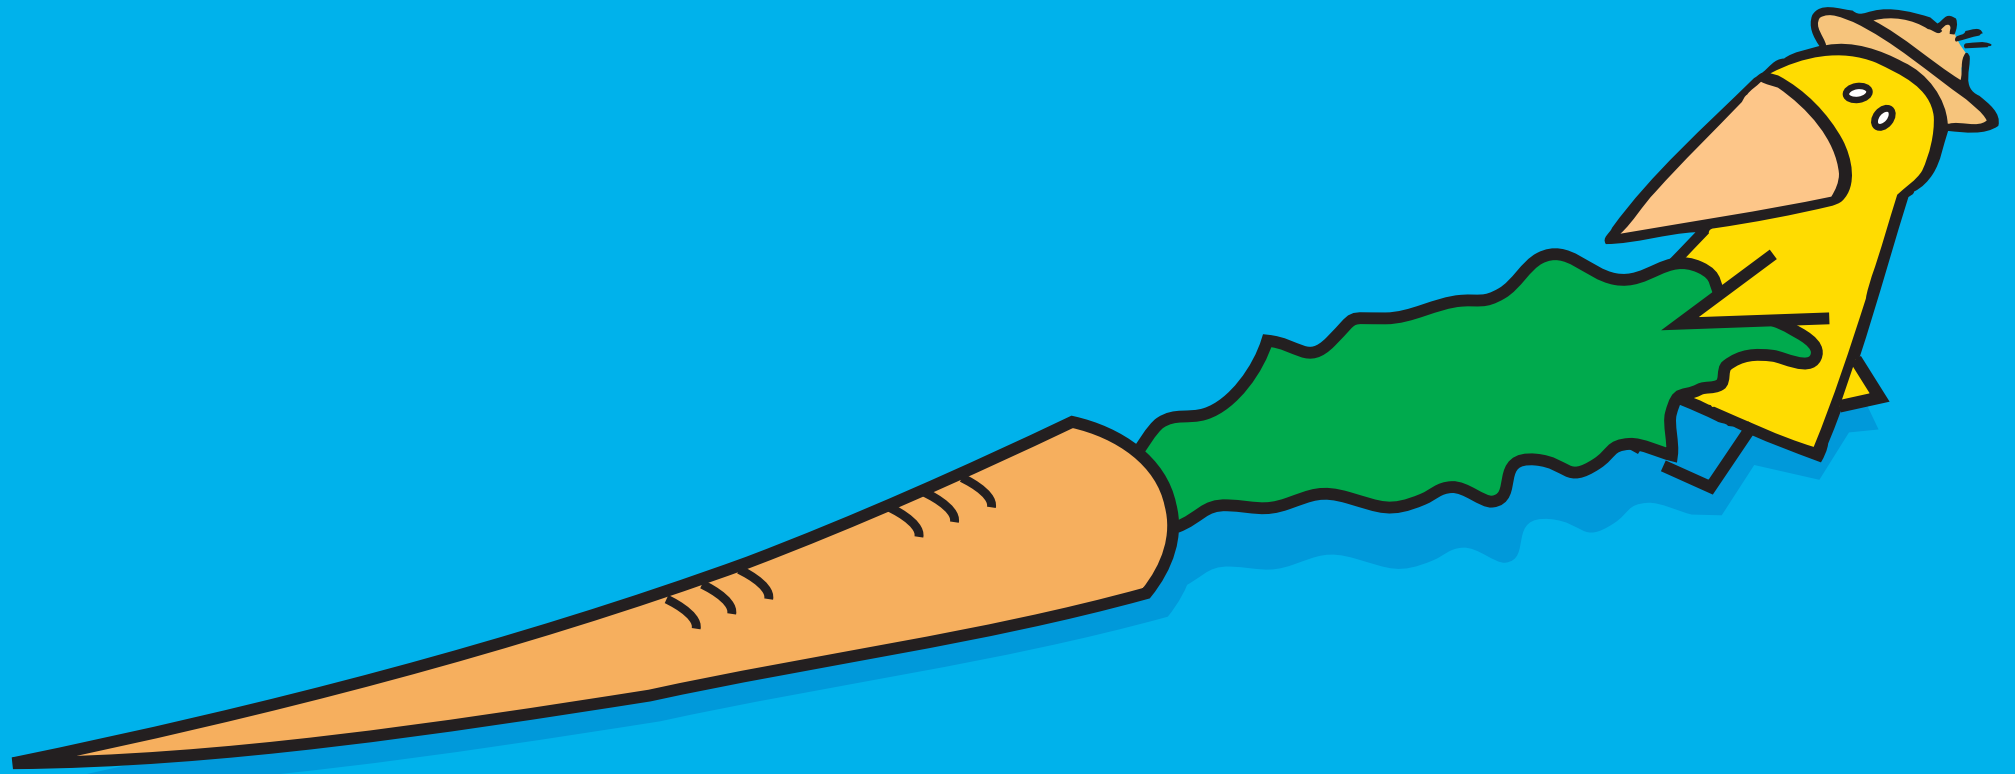

Henry L. Bird had
a vegetable garden.
He worked very hard
in his garden.

Henry picked a
large red tomato

and a long orange carrot
from his garden.

Henry picked
a large green cucumber

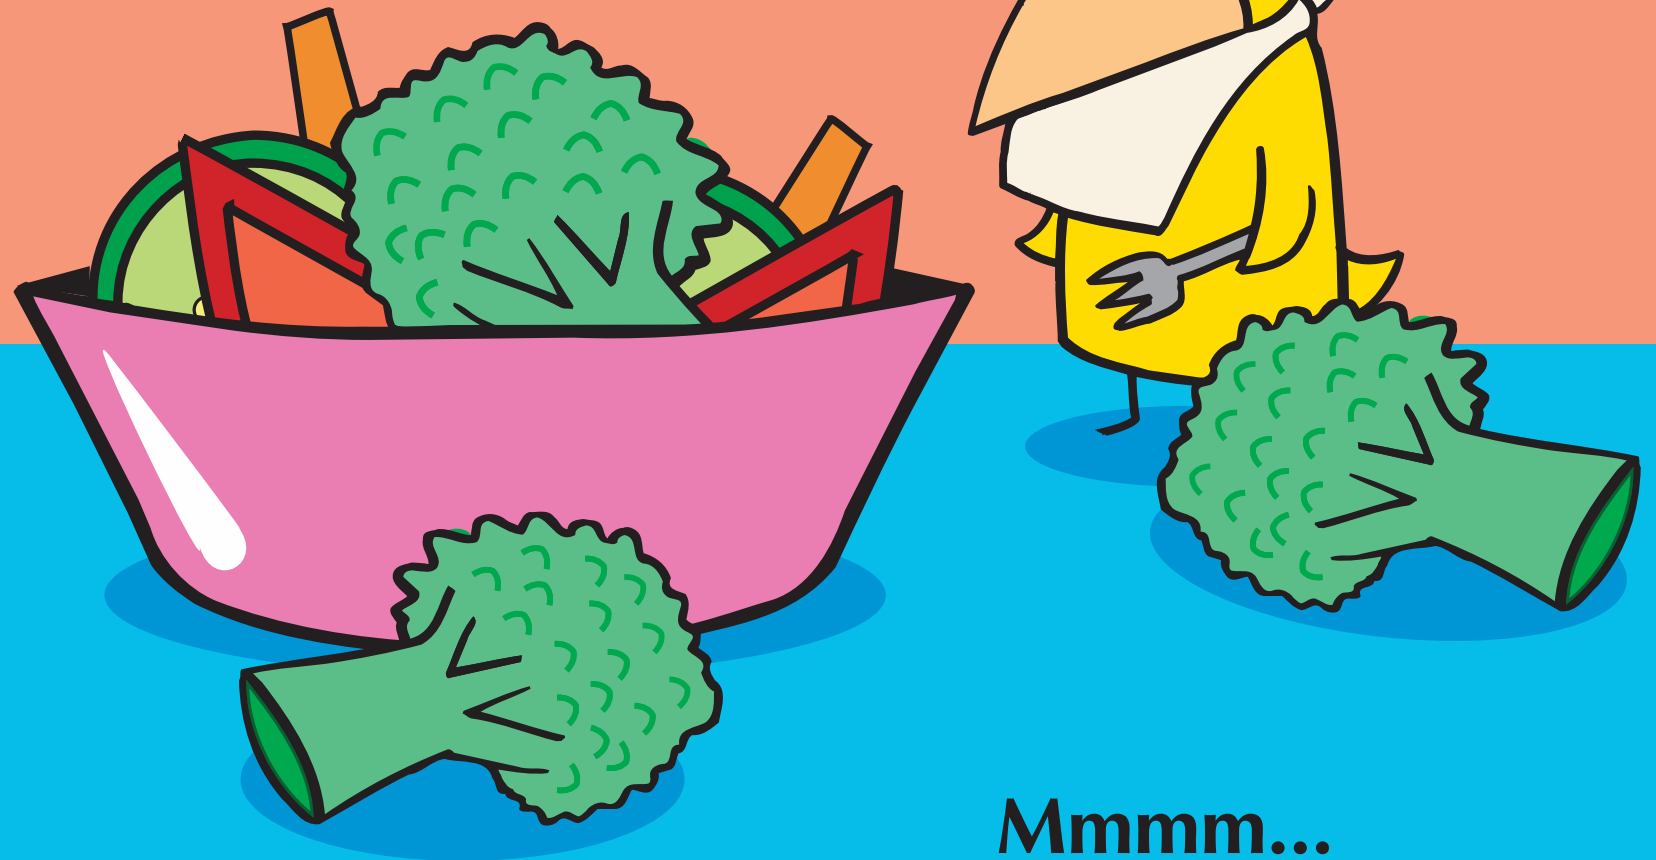

and some fresh broccoli.

Henry L. Bird was very hungry.
He made a very colorful salad.
It was now time to eat the
vegetables Henry picked
from his garden.

Mmmm...
